

5th Annual

LATI

Summer Institute

“The Sky’s the Limit with AT”

July 15-17, 2009

Claiborne Building- First Floor
1201 North Third Street
Baton Rouge, LA

The 5th Annual LATI Summer Institute will be blasting off July 15-17 in Baton Rouge, Louisiana. This three day conference style journey will take you beyond the barriers of the classroom atmosphere to forge new frontiers of assistive technology. Journey with us as we explore the galaxy of AT from current mandates for accessibility to strategies for implementation and instruction.

As part of the voyage, a networking activity will provide crew members with intergalactic opportunities to join forces with space pioneers from across the state to share ideas and information. Come board our starship as we have close encounters with a mass of opportunities to strengthen your knowledge about AT.

Registration will open April 20, 2009 at 8:00 a.m.
